The Police Benevolent Foundation Establishes Support Fund for Injured North Carolina Officer

(October 13, 2009) -- The Police Benevolent Foundation, Inc. and the North Carolina Division of the Southern States PBA have set up a donation fund for Officer Daniel Clark who was seriously injured while responding to a call on Wednesday, October 7th at the Bojangles Restaurant on Peters Creek Parkway. The Police Benevolent Foundation, the North Carolina PBA and local law enforcement officers are asking for the community's help in providing Officer Clark the support that he will need in the days to come.

The Police Benevolent Foundation has established a fund at Wachovia Bank in Officer Daniel Clark's name. Donations can be made at any Wachovia branch or online at www.pbfi.org. We would like to ask that the community join us in support for Officer Clark and officers like him who risk their lives to protect our homes, our families, and our businesses by donating to the Officer Daniel Clark Relief Fund.

The Police Benevolent Foundation, Inc is a tax-deductible 501(c)(3) organization established by the Southern States Police Benevolent Association, Inc. (SSPBA) in 2005. Established in 1987, SSPBA has been serving its membership for 20 years. SSPBA is not a union. It is an independent association with no national or international affiliations. The Foundation has a Board of Directors elected by the membership of the SSPBA. Foundation expenses are currently absorbed by Southern States PBA, making the Foundation one of very few such entities that gives 100% of the funds received to its intended purpose.
